Admissions Policy

September 2025-26

Al-Mumin Primary and Secondary School is for both young and older children, ranging from 4 years old to 16 years old.

Families interested in enrolling their child should do so using the application form which is available on request. This must be filled in and submitted before the start of the new academic year. Late applicants will be placed on the waiting list.

Other matters which are taken into account in deciding which child can be offered a place in both the primary and secondary school are:

1. Availability of spaces taking into account the staff/child ratios, the age of the child and the registration requirements.
2. When the application is received (extra weight is given to those who have been on the waiting list longest).
3. Our ability to provide the facilities for the welfare of the child.
4. The effect on the existing children and staff of the admission of that child.
5. Any extenuating circumstances affecting the child's welfare or his/her family.
6. Those children who are siblings of those already with us, or where there is proven existing connection.
7. Potential students thus must carry out an admissions assessment on English, Maths and Science which are based on Al-Mumin Primary and Secondary Schools curriculum and assessment.

We never have, and have no intention in the future of discriminating against any child on the ground of sex, race, religion, colour or creed. The Disability Discrimination Act of 1995 lays down a legal obligation on us to consider those designated disabled or disadvantaged, using as far as possible the same criteria as for all other children. We will in their case, however, carry out an additional review of their individual circumstances and requirements; then assess our ability at Al-Mumin Primary and Secondary Schools to meet those needs.
